

COVID-19 Testing Clinics The CISSS des Laurentides recommends making an appointment

Saint-Jérôme, July 16, 2020 – The Centre intégré de santé et de services sociaux (CISSS) des Laurentides strongly recommends making an appointment to be tested for COVID-19 at one of its designated facilities.

Walk-ins will still be tested and no one will be turned away. Nonetheless, in order to avoid undue delays, making an appointment beforehand is strongly recommended.

To make an appointment, call **1-877-644-4545**.

The CISSS des Laurentides is heartened by the increase in COVID-19 testing, which is crucial in preventing the spread of the virus.
