The CISSS des Laurentides transport service is in urgent need of volunteers to escort children and youth

Saint-Jérôme, July 16, 2020 – The Centre intégré de santé et de services sociaux (CISSS) des Laurentides transport service is actively seeking volunteers to escort children and youth receiving services from the CISSS des Laurentides.

The need is all the more urgent due to the current COVID-19 pandemic, when our volunteers who are over 70 have had to withdraw for their own protection.

Although the prime responsibility for escorting their child lies with the parents, the CISSS des Laurentides must turn to volunteers to escort children and youth when the parents are unable to fulfil this role.

Interested persons must own their own vehicle and undergo a selection process and back-ground check. Once they are accepted, the volunteers attend a training session and are given the required information to understand their mission.

For more information or to express an interest in becoming a volunteer, please call Ms. Anne Paquette at 450-432-2777, extension 78402
