AstraZeneca vaccine available in the Laurentians
**Vaccination with or without an appointment
for people between 55 and 79**

Saint-Jérôme, April 9, 2021 – For people between 55 and 79 years old, two options are now available to receive the AstraZeneca vaccine. They can now get vaccinated without an appointment in one of our vaccination centres. The location and schedule of these clinics is available on the internet. People that are interested can also get an appointment online.

Please note that, with or without an appointment, the AstraZeneca vaccine is available at all our vaccination centres in the Laurentians, but at dedicated time slots. Also, we wish to remind you that the AstraZeneca vaccine is available only to those between 55 and 79 (born in 1966 or before).

Vaccination clinics for AstraZeneca (without an appointment)

The schedule for the next clinics for AstraZeneca vaccination will be available on the www.santelaurentides.gouv.qc.ca website in the English/COVID vaccination section.

Get vaccinated with the AstraZeneca vaccine with an appointment

To make an appointment, go to Clicsante.ca

For those experiencing difficulties or without access to the internet, you can reach 1-866-495-5833 to get help with the online booking.
